Dear Friend,

We are proud to announce that **Class 51** is nearing the end of their training, and you're invited to celebrate with us!

(Please feel free to share this newsletter with others.)

Class 51 Graduation

We are holding a graduation ceremony to recognize the achievements of Class 51. In the past eight weeks, we have seen Class 51 demonstrate the dedication and hard work needed to succeed in the culinary and bakery trade. At present, two trainees have already been offered jobs, and almost half have had interviews and try-outs!

The ceremony will also feature guest speakers: **Janet Auer**, Community Engagement Specialist of Chevron, and **Lili Rollins**, President of the San Francisco Professional Food Society.

Refreshments prepared by Class 51 will be served after the ceremony.

Please **RSVP** at info@breadproject.org.

Special Thanks

We are fortunate to have the support of generous individuals, community groups, and businesses.

We would like to thank the following donors for their contributions toward our new **RONDO dough sheeter**:

- Rotary Club of Oakland
- RONDO Inc.
- San Francisco Baking Institute
- Jennifer Lee and Rand Montoya.

Big thank you goes also to the volunteers from **Wells Fargo** and **Chartis Insurance** who participated in our **mock interview** sessions in September and October. They provided our trainees and graduates with great interview tips and feedback.

We're also happy to announce our new partnership with **Mr. Espresso**. They've donated an **espresso machine** for our bakery cafe, and they are providing **gourmet coffee** supplies and **barista training**.

Please join us for the graduation of Class 51.

Warm regards,

Dagmar Schroeder-Huse, Executive Director
